SIR:

Applicants respectfully petition that the present application be revived under 37 CFR 1.137(b).

The national stage under 35 U.S.C. 371 of the above-identified International PCT application was due to be entered in the United States as an elected office by August 19, 2004. However, due to an unintentional and inadvertent error, the application was not timely filed. Applicants state that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Accompanying this petition is a complete application under 35 U.S.C. 371 including payment of the appropriate basic national fee, an English translation of the International PCT application, and a duly executed Declaration.
